

VISIO SPACES

ARCHITECTURAL CONSULTANCY

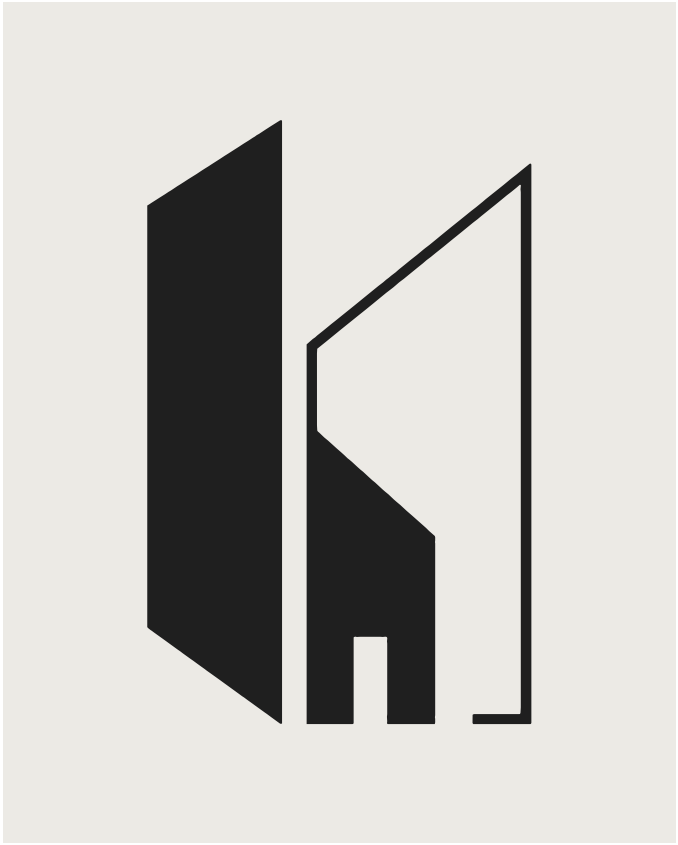

Built and drawn

The Visio Spaces brand, derived from its logo. Solid where it's decided. Line where it's still being imagined.

Version 0.1. The logo and Graphite are the firm's own; everything else is a proposal awaiting approval. Full rules are in BRAND.md.

Type

Archivo throughout. Headings widen to echo the logo; body text stays at normal width.

Display, 125%	Light first
2xl, 125%	Courtyard House
xl, 125%	Tell us about your site
lg, 112%	Daylight studies
md, lead	The bedrooms face east for morning light, and the living room stays cool through the afternoon.
base, body	Before we draw a wall, we spend a day on the site and record where the light falls, hour by hour. Rooms, openings and shade are placed from those notes.
sm, label	Location: Kochi, India

Solid and line

Pair a heavy, filled form with a fine outline, with little in between. Keep corners square, and keep any diagonal close to the mark's angle of about 36°.

On Graphite

Text stays calm on dark surfaces, and links turn pale blue.

Secondary text uses Stone 300.
